Whig Nomination for Congress.—Seventh Congressional District, (IXth, XVIth and XXth Wards) ROBERT SMITH.

By order of the Convention. ROBERT McINTYRE, Chairman. H. HILL WHEELER, Secretary.

City Reform League.—Fellow Citizens Our League has been formed with the object of correcting some of the abuses of our City Government. The facilities with which candidates for office are raised to power by means of the corrupt machinery of primary elections, lies near the root of the evil. Against that system, therefore, we strike the first blow by agreeing to the principle that a good candidate ought to be supported, irrespective of the party by which he is nominated.

upon him say share of responsibility for the misconduct of the Common Council.

The CONTROLLER ought to be a man of unlinching firmness in the defense of the Treasury against the depredations so often attempted upon it. We believe such a man, in that station, can save this city hundreds of thomsands every year, and we timk the past history of Mr. FLAGS has fully proved him to be the man we want. As Controller of the State of New-York through a period of years, his course was marked by a fidelity and vigor that commend him to the respect and confidence of the people.

The testimony has been that Mr. ADAMS, the present Suffering the state of Repairs And Supplies, has generally administered his office well, and we have therefore adopted his name for that office well, and we have therefore adopted that the City Inspector ought to be a Physician, and with several large bodies of citizens we mane for that office Doctor JOHN H. GRIESCOM.

For ALMS House Commissioner we have preferred Washington and the commendation of the control of the commissioner we have preferred Washington Salter.

ter JOHN H. GRISCOM.

For ALMS HOUSE COMMISSIONER we have preferred WASHINGTON SMITH.

For various reasons, our selections have gone no further. We publish them alread that Reformers may have some knowledge of each other's intentions, and so make their vote effectual.

Our action has been confined to City Officers. The selection of Ward Officers, important as they are, did not lie within our province. We are happy to know, that in several Wards the people are taking care of their own interests in this perticular.

Wards the people are taking care of their other than the perticular.

Those who favor our reforms, can alter their ticket, with the manes we suggest, with the confidence that their vote will be instanted by very namy of our cirizens, and with a good prospect of success. Our nonmations are:

For Mayor. JACOB A. WESTERVELT,
For Controller. AZARIAH C. FLAGG.
For City Impector. JOHN H. GRISCOM.
For Governor of Aims House, WASHINGTON SMITH.
